CORPORATE WELLNESS FORUM

UNLEASHING THE POWER OF WELLNESS AT WORKPLACE

As a global healthcare leader, Sanofi takes workplace wellness close to our heart. We are passionate to promote the importance of workplace wellness and Sanofi is now staging probably Hong Kong's first Corporate Wellness Forum.

The Forum will be graced by speakers from Business France and leading corporations like Hong Kong Jockey Club, Cathay Pacific Airways, AIA as well as our regional leaders. They will exchange and share good practices on workplace wellness.

This Forum is tailored to experienced HR and HSE practitioners, like your good self, who has strong passion on workplace wellness. Join our Forum and you will:

- understand the impact of a holistic well-being approach on workplace culture, productivity and employee engagement
- learn the critical success factors and strategies to implement a workplace wellness program
- realize the benefits of workplace wellness

This event is FREE and registration is required. For any enquiries, please contact Charlotte Li on 2506 8535 during office hours.
