Country HSE Manager HK &

Regional HSE Manager

Global Workplace Solutions, CBRE

Ms. Lam has over 10 years of experience in occupational safety and health after has graduated from BSc (Hons) in Environmental and Occupational Safety & Health of The Hong Kong Polytechnic University. She currently is the Country HSE Manager of Enterprise Facilities Management, Global Workplace Solutions of CBRE in overseeing over 30 clients from various industries including banking, industrial, oil and gas, pharmaceutical, educational and others in Hong Kong. She also is the Regional HSE Manager of a bank client responsible for the HSE performance over APAC region for seven countries.

Abstract :

After the launched of the WELL Building Standard by the International WELL Building Institute in 2014, the awareness of workplace wellness become increasing among many property owners and occupiers. CBRE conducted a research to interview occupiers over the APAC regions to understand their motivation in adopting workplace wellness programme including the current workplace culture in APAC.
